### About Michael Rapp

Michael Rapp is a passionate architect and Feng Shui has tremendously expanded his ability to design buildings of astonishing quality. One might assume that the elements of Feng Shui add complexity to the already demanding process of design. Surprisingly, Michael has discovered the opposite is true! Feng Shui guides the process to a coherent solution that leads to certainty and frees one from indecision and doubt. Michael is a chartered Architect and Feng Shui Consultant in Munich, Germany. An architect for 25 years, ten of which he spent in New York, he has been a Feng Shui consultant for ten years and has developed the leading software for professional Feng Shui consultants worldwide.

- 
- ❖ Visualize Feng Shui through simple computer techniques
  - ❖ Learn a clear methodology to guide you through difficult projects
